

December 7, 2009

Dear NIRSA Professional:

On behalf of the NIRSA Board of Directors, we would again like to thank you for your continued support and attention to the various changes associated with our new Governance processes that will go into effect at the 2010 Annual Conference in Anaheim, California.

As indicated in our prior October 9, 2009 communication, the deadline for interested members to submit Regional Representative nomination materials was December 1, 2009. However, in order to encourage the best pool of candidates possible, and in consideration of the short period between the slating of Board of Directors positions and the Regional Representative nomination deadlines, **the due date for Region II and Region IV Regional Representative [nomination materials](#) has been extended to Friday, December 11, 2009.**

Thank you for your attention and for your participation in this important step for our Association. If you have any questions, comments, or suggestions, please contact your Regional Vice President.
